

DEUTSCHLAND IS FORCED TO RETURN

Collision With Tug Subject of Federal Investigation

Conveying Tug T. A. Scott, Jr., is Sunk and Five of Crew are Drown When German Submarine Runs Tug Down—Accident Said to Have Been Caused by Swift Currents and Darkness.

NEW LONDON, Conn., Nov. 17.—The collision which caused the merchant submarine Deutschland to abandon her return voyage to Germany almost at its outset early today when a conveying tug, the T. A. Scott, Jr., was sunk with a crew of five men, was the subject of federal investigation this afternoon.

The United States inspectors of steam vessels, headed by Captain W. E. Withey, heard thru witnesses of the conditions under which the submarine, slipping out of the harbor in the darkness so she might submerge in neutral waters before daylight, ran down the tug, acting as her protector off Race Rock, just outside the port. The testimony came from Captain Paul Koenig, of the Deutschland; from F. W. Krapohl, his chief officer, and from Hans Klees, his chief engineer. It was given in secret but it became known thru statements outside the chamber that the collision was an accident.

Survivors who would discuss the matter were agreed it was due to a combination of swift currents, which carried the tug off its course and across the bow of the submarine and to the darkness, which was to be the Deutschland's medium of safety, but which instead prevented ready observation of the danger ahead.

Captain Koenig would say only to questioners:

"It's a terrible thing to lose those good men. I feel it deeply. You must excuse me."

Will Hear Hirsch's Testimony

Before the inspectors fix blame for the loss of the Scott and her crew they will hear the testimony of Captain Frederick Hirsch, an officer of the Eastern Forwarding company who was the only survivor of the tug. Captain Hirsch was thrown from the deckhouse of the tug, on which he was standing into the rushing waters of the Race where he was rescued, almost exhausted by the crew of the tug Cassie, following behind. Captain Hirsch was unconscious after the accident and is not expected to be in shape to testify for several days.

The Deutschland's return will be delayed only a few days, estimated variously from two days to a week, by the damages which she sustained and not at all by the inquiry.

Examination of her bow today showed three plates had been stove in to a degree described by some as "a hole" and others as "a dent." Her stem was twisted to starboard, but the general structure of the submarine was said to be firmly in place notwithstanding the force of the impact which sent the tug to the bottom within a few moments.

Tug Crew Imprisoned

The men of the T. A. Scott, Jr., went down imprisoned in the pilot house engine room or gallery. The T. A. Scott Wrecking company which owned the tug was considering tonight an effort to raise the craft to obtain the bodies.

The Deutschland had moved quietly out of her protected pier early this morning and slipped down the Thames river to the sound, under double convoy of tugs. She carried a cargo estimated at about \$2,000,000 composed principally of rubber and metals which Germany needs in the making of munitions of war.

To starboard was the T. A. Scott, Jr., slightly advanced and acting as pilot. The submarine moving on surface at a speed of about 10 knots was about six hundred yards behind and a half mile stern the tug Cassie followed as additional protection. Racing the Race the several vessels slowed down to cross the eddy currents of the passage at slower speed. The tide runs swiftly thru the Race and one of the tugs apparently caught the tug unawares. This appeared to be so to Captain Koenig who with Chief Officer Krapohl was on the Deutschland's deck. In the darkness the T. A. Scott, Jr., was forced into the submarine's course. The collision resulted and the tug sank almost at once.

The Deutschland was able to return to her dock unassisted. Her repairs and her stay in port are surrounded by the same secrecy that marked the unloading of her cargo from Germany and the loading of the cargo which she is to take back. It was learned authoritatively today that the former was valued in excess of the \$10,000,000 set by Captain Koenig. This amount, it was said, could barely cover the value of the securities which she carried. Contrary to reports, the Deutschland will take no gold to Germany.

EUREKA AND ST. VIATORS IMPORTANT GAME TODAY

Only Game With Bearing on "Little 19" Title—Winner Will Challenge Millikin.

Peoria, Ill., Nov. 17.—Eureka and St. Viators will furnish the only game with a bearing on the Little Nineteen title tomorrow. The winner will challenge Millikin, claimant of the championship, for a post-season game with little likelihood of it being arranged.

Other games on the day's schedule are Millikin vs. Wesleyan at Bloomington; Lombard vs. Bradley at Peoria; Shurtlett vs. Illinois College at Jacksonville; Eastern Normal vs. Illinois Normal at Normal.

Sharp clashes will be seen in the last three named games as the teams are fighting for second and third places in the conference race.

ENID, Okla., Nov. 17.—Dr. I. N. McCash of Des Moines, Iowa, was inaugurated president of Phillips University here today.

LONDON, Nov. 17.—Lloyds announces that the Italian Steamer San Gualtero and the Greek Steamers Styliani Behis, 3,600 tons, and Ioannis, 3,828 tons; Danish Steamer Theres, 1,332 tons and the British Steamer Trevarrack, 2,098 tons, have been sunk by a German submarine.

ATLANTIC CITY, N. J., Nov. 17.—Plans for pressing the campaign of instruction in better coffee making were adopted at the annual convention of the national roasters association which closed here today.

CHRISTIANIA, Nov. 17.—via London.—The Norwegian passenger and mail Steamer Vega of Bergen, was sunk yesterday by a German submarine. Sixteen passengers and the crew of 21 men who put off from the steamer in five boats were saved by the Steamship Columbia and landed at Stavanger, in the evening. Most of the baggage of the passengers was saved.

SPRINGFIELD, Ill., Nov. 17.—"Dear Abe Lincoln freed the black slave and Hanly will free the white slave and the black slave too from drink. Then the dream of Abraham Lincoln will come true." H. J. Dunn, of Springfield, aged sixty years wrote this sentiment in a letter addressed to newspapers, went to the tomb of Lincoln in Oak Ridge cemetery this morning and ended his life by cutting his throat.

INVADING FORCES DRIVE BACK DEFENDERS

"Brown" Army Makes Spectacular Entry Into San Benito—Reinforcements to the Rescue of "White Forces."

Brownsville, Texas, Nov. 17.—Two events attracted much attention today in the "Brown" and "White" army maneuvers in this district. The first was the spectacular entry into San Benito, 19 miles north of Brownsville, by the "Brown" or invading forces, driving the defending "white" brigade before them. The second was an extraordinary thirty mile forced march by a brigade of artillery and a provisional regiment of cavalry from Llano Grande to Harlingen, reinforcing the "white" brigade under Col. R. L. Bullard, which is defending the United States from a foreign invasion of the "browns."

This reinforcement was a complete surprise to the "Brown" forces and tends to make driving back of the advanced, "white" brigade more difficult.

Tonight the "invading" division camped just north of San Benito and the defending brigade, its reinforcement of artillery and cavalry a short distance behind, halted one and a half miles south of Harlingen on Arroyo, Colorado.

HEALTH OFFICER OF SOUTHERN DISTRICT

State Board of Health Appoints Chicago Physician to New Post.

Springfield, Ill., Nov. 17.—Special.—The State Board of Health has appointed Dr. G. A. Lurie of Chicago as the health officer of the southern district of Illinois. Dr. Lurie will assume his duties here Monday. Dr. Lurie was formerly a member of the American Red Cross unit, which went to Serbia, at the time that country was invaded by the combatant typhus fever. He was amidst the real fighting of that country and lost an ear on the battle field while dragging a wounded soldier to the hospital.

COLORADO SPORTSMEN BELIEVE IN PREPAREDNESS

Make Arrangements Whereby They Will Be Enabled to Attend World Series Games Next Year.

Byers, Col., Nov. 17.—Twenty-six wealthy farmers in this vicinity yesterday leased 320 acres of land to be planted to beans next spring. At the same time they formed an agreement that the proceeds, or such part as is necessary, will be used to defray their expenses to see the world's series baseball games next year.

PAY UNUSUAL ELECTION BETS IN MACON COUNTY

DECATUR, Ill., Nov. 17.—One of the most unusual election bets in the history of Macon county was paid here today when E. L. Jacobs, a wealthy farmer, walked around a section of land carrying a torch and a flag and leading a mule. He was followed by a large of friends.

Carl Laux, manager of a local hotel paid his bet by crowing from the top of the city transfer station at midnight.

AERIAL ENGAGEMENTS

Paris, Nov. 17.—Fifty-four serial engagements were fought by French aviators yesterday in the Amiens area.

In the course of this fighting Lieutenant Guynemer, one of the combatants, brought down his twenty-first hostile machine, the war office announced today.

BELGIANS DEPORTED BY THOUSANDS

London Cable States Germans Plan To Take 300,000

Municipality of Tournai Fined When Council Declines to Accede to Demand—Lord Robert Cecil Asserts Most Horrible Feature of War Situation Is "This Grinding up of a Nation Piece Meal."

LONDON, Nov. 17.—Thirty thousand Belgians already have been deported to Germany according to information received here thru official channels. Reports from the same sources say that the Germans plan to take some 300,000 judged from the order issued in a number of cities for all males over 17 to report for inspection.

The municipal council of Tournai has formally declined to accede to the German demand the report said. General Hopper thereupon imposed a fine of 200,000 marks, it is added for the refusal of the council to furnish a list of male inhabitants with a further fine of 20,000 marks daily as long as the council refused to give the list.

Lord Cecil's Statement.

London, Nov. 17.—In a statement made to the Associated Press Lord Robert Cecil, minister of war trade, uttered a vigorous protest against Germany's deportation of Belgians, and declared the people of France and England, no less than the people of Belgium, that American public opinion will show itself, not only in a few days or weeks of protests and criticisms, but in steady pressure upon the invaders of Belgium to conduct the war against the soldiers of the allies in the trenches and not against the helpless civilians whom they have in their power.

Lord Robert reviewed the measures taken by the entente allies to provide relief for the Belgians and characterized as a "lie" what he termed Germany's attempt to justify its action by saying that England was responsible for unemployment in Belgium.

"Three times during the past year," Lord Robert continued, "we have proposed to the Germans a definite scheme whereby the exports of Belgian manufactures and even imports of raw material might be made free under the control of the Belgian relief commission and that the commission might control all the funds arising out of the trade. To none of these proposals have we had a reply. Instead they have exacted forty million francs a month from Belgium, requisitioned every kind of machinery and raw materials, seized the funds of the national bank and restricted exports."

Have Stripped Belgium Bare.

"They have drained Belgium dry and stripped her bare, and we all know this policy was deliberately calculated to create a maximum amount of unemployment in order that when the proper moment arrived their slave raids might begin."

"Further, the Germans justify their action on the ground that the unemployment they themselves had created had become so bad as to overstrain the resources of the poor relief. This is the most impudent thing even Germany has said since the war began. You might think the poor relief referred to came from Germany or from Belgium. As a matter of fact it comes from the allies thru the relief commission. This country alone in the last eighteen months has advanced some \$50,000,000 for food and poor relief. This money goes forth freely, and without conditions, except that it shall be under neutral control."

"The Belgians are going to Germany on no ordinary work. They are to be caught up and crushed in the great new German machine for mobilizing labor."

"They will be scattered to all the remote corners of Germany from Silesia to West Pahlia and once caught upon the machine, they will never return to Belgium. It is this grinding up of a nation piece meal that is the most horrible feature of the situation."

Lastly, it must be remembered that the allies can and will liberate Belgian territory. Meanwhile, they can and will bear the burden of keeping the Belgians from starvation. But they cannot protect the Belgians from slavery; they cannot ensure that when Belgium is liberated it will be a nation and not a desert. It is only the neutrals who can do this by the exercise of their public opinion."

CHAMPIONSHIP CUPS AWARDED AT SHOW

NEW YORK, Nov. 17.—Championship cups were awarded in several classes at the horse show today winners of previous contests competing. The cup for ponies under saddle was won by Katherine K. Tod, Charles R. Hamilton took the champion's cup for pairs of ponies.

William H. Moore's Robinhood and Marcel won the blue ribbon for pairs of harness horses over fifteen hands, three inches in height.

One of the features of the day was in the class for thoroughbred hunters ridden by women who took them over fences four feet high in the contest for the Murling cup. It was won by Charles D. Lanier's Down East, ridden by Ivy Madison.

RESOLUTION APPROVES FEDERAL AID BOARD ACT

Illinois Highway Improvement Association Urges State To Participate To Full Extent Under Plan.

Chicago, Nov. 17.—Officers and directors of the Illinois Highway Improvement association who met here today adopted a resolution approving the federal aid road act and urging the state of Illinois to participate to the full extent in the good roads plan. Under the federal law it is estimated that the national government will appropriate \$3,300,000 during the next five years for the building of new roads in Illinois. If the state of Illinois appropriates an equal amount, as it is required by the federal law \$6,600,000 will be expended in highway improvements in this state before 1922.

The annual meeting of the association will be held December 14th, at Danville, Ill.

TO AWARD CONTRACTS EARLY NEXT WEEK

For Construction of Four Battleships and 16 Destroyers

Secretary Daniels Makes Announcement at Conclusion of Conference Between Navy Officials and Private Builders' Representatives.

WASHINGTON, Nov. 17.—Contracts for the construction of four battleships and sixteen destroyers will be awarded to private builders early next week, Secretary Daniels announced today at the conclusion of a three day series of conferences between navy department officials and representatives of the ship yards.

The two low bidders for battleships, the New York Shipbuilding company and the Newport News Shipbuilding and Dry Dock company stood out at first at the navy's stipulation for electric propulsion, but finally surrendered to the department's wishes. Each company will build two battleships, reaching its own understanding with the electrical equipment companies furnishing the propulsion machinery.

Questions involved in the destroyer contracts were less troublesome, dealing with exceptions the builders wished to make to the navy's form of contract. The department's program prevailed in all important features. Eight destroyers will go to the Fore River Shipbuilding company, Quincy, Mass., six to the Union Iron Works, San Francisco, and two to William Cramp & Sons, Philadelphia.

Secretary Daniels indicated that congress would be asked to raise the limit cost on the four 35 knot cruisers.

Bids for the construction of twenty submarines, two of which will be of the 800 ton seagoing type now are being considered by the board of review composed of Admiral Benson, chief of operations, chief constructor Taylor and engineer in chief Griffin. Recommendations probably will be submitted to the secretary next week.

ENDORSES MATCH MAKING IN SUNDAY SCHOOL

Kansas Asserts Sunday School Is More Desirable Meeting Place Than Town Depot.

Topeka, Kans., Nov. 16.—Match making in Sunday school classes was endorsed in an address here last night, by J. E. Engle, of Abilene, Kans., secretary of the Kansas State Sunday school association.

"The time is past when sport should be made of the love affairs nurtured by mutual interest in Christian work and the giggles of the sentimental and the curious should cease," he asserted. "The Sunday school is a far more desirable meeting place than the town depot, perhaps the most unchaperoned place in the state and a peril to the young people who congregate there."

CHICAGOANS PREDICT WE WILL HAVE MILD WINTER

Jackson Park Policemen Give Reasons for Their Prophecy

Chicago, Nov. 17.—Chicago is to have a mild winter if the woodcraft of veteran Jackson Park policemen has led them aright. Their prognostications are based on the following:

Migratory birds were a month late in starting their southward flight.

Bark on the trees is thin and light.

Crickets and grasshoppers remained in the grass later than usual.

Covering on buds on the bushes is light.

Moles, up to last week, were moving around under the sod while earthworms showed that they had not yet sought winter quarters by coming to the surface after rains.

LOOK ELSEWHERE FOR ARMY HORSE PASTURE

Rates for Grazing Privileges on Ranges of West Texas Increased.

San Antonio, Tex., Nov. 17.—Increased rates for grazing privileges on the ranges of west Texas have caused the southern department of the United States army to look elsewhere for pasture for 25,000 horses and mules.

"Owners of pastures around San Antonio have demanded as high as \$3 and \$4 a month per animal," Captain Frank L. Case, in charge of remount depots said. "In other sections we have been offered grazing lands at fifty cents."

RE-ELECTED PRESIDENT

Petrograd, Nov. 17.—Michael Vladimirovich Radzianko has been re-elected president of the Duma.

DOCTORS WILL PERFORM SECOND AUTOPSY TODAY

Diemer Family Hopes Examination Will Prove Suicide

Two Physicians Will View Body of Christine Diemer at Pontiac Today in an Effort to Clear up Mystery Which Surrounds Girl's Disappearance and Subsequent Death.

PONTIAC, Ill., Nov. 17.—Dr. Ludwig Hektien of Chicago will arrive here tomorrow to perform a second autopsy on the body of Christine Diemer, whose body was taken from the Vermillion river nine days ago. It is hoped the second examination of the body will clear up the mystery which envelops the disappearance and subsequent death of the afflicted daughter of the wealthy land owner who, with his wife and living daughter is under bonds for manslaughter in connection with the finding of Christine's body.

The Diemer family hopes the examination will prove that Christine took her own life while suffering from one of the irrational spells to which she was subject.

Jacob C. Diemer today was prepared to assist the authorities in their inquiry. He has engaged a lawyer, and tomorrow the body of Christine will be taken from the grave in the city cemetery, and a second autopsy held.

Bert W. Adair, attorney for the Diemers, said today that this time two physicians will make the examination. He reiterated the theory that the girl committed suicide during an irrational moment.

On Trail of New Clue.

Bert W. Adair, the lawyer retained by Jacob Diemer, was reported to have driven into the country today on the trail of a new clue.

Livingston county authorities said that they would welcome the new autopsy demanded by Mr. Adair. Dr. A. B. Middleton, who conducted the first autopsy said:

"I am afraid a second examination will develop nothing new. My own was careful and I am certain of one thing—Christine Diemer did not commit suicide."

Detectives employed to search the Vermillion river for trace of the blue serge suit which was so repugnant to the disordered mind of the girl was impeded today by a thin layer of ice. The river is to be dragged for five miles.

A bottle said to contain a note was taken out of the river today at almost the exact place where Christine Diemer's body was found eight days ago. The bottle will be turned over to Sheriff Ives to determine whether it has any connection with the case.

LINES NEXT SEASON WILL BE LONG AND STRAIGHT

With Skirts a Little Longer and Coats Which Fit Easily About Waist.

Chicago, Nov. 17.—Americanization of spring styles and fabrics for "Miladi" is the plan up for discussion before the National Cloak, Suit and Skirt Manufacturers' Association, which opened its annual convention here today.

"It seems the lines for the coming season will be long and straight, with skirts not so short as hitherto, and coats fitted easily about the waist," said J. P. Haviland, a member of the association today.

COULD NOT FAIL TO INVOLVE UNITED STATES

Should Germany Launch Starvation Campaign Against England It Would Involve Serious Consequences.

Washington, Nov. 17.—Government officials did not conceal their disquiet today over the present submarine situation and some of them fear the Teutonic Powers may at any moment launch a starvation campaign against England which could not fail to involve the United States.

Secretary Lansing, however, authorizes the statement as yet "there is absolutely no truth in the reports that the department has information that a definite decision has been reached to launch a ruthless German submarine campaign."

Five serious cases now are pending. Investigation is being made in all cases but has not yet been completed.

COURT TAKES CASE UNDER ADVISEMENT

"Woman Hater" Dies Without Leaving Will—Man With Whom Verbal Agreement Is Made Sues.

Vandalia, Ills., Nov. 17.—In a suit for compensation filed here in the circuit court, Grant Fletcher alleges he washed dishes in the bachelor home of Granville Fletcher, deceased, with the understanding that a part of an estate of \$100,000 was to be his provided he did not marry. When the elder Fletcher, said to be a confirmed "woman hater" died, there was no will and the estate reverted to two uncles of the dead man. The court took the case under advisement.

MOTORCYCLIST KILLED

Belvidere, Ill., Nov. 17.—Charles Anderson, aged 22, was instantly killed today when his motorcycle ran into an automobile driven by Harold Graves. Axel Carlson, who was riding with Anderson, sustained a broken leg.

SCHOONER TOTAL LOSS

Washington, Nov. 17.—A wireless message received here early today reported the American schooner Fred A. Davenport to be a total loss off the coast of Santo Domingo.

War News Summarized

In Western Wallachia the advance of the Austro-Hungarians continues steadily and capturing eighty miles north of Bucharest, the Roumanian capital is almost within the grasp of the invaders. Battles are taking place within a few miles of Campulung, which is at the head of a railway and along a river that penetrates the plains west of Bucharest, and Petrograd says the forces of General Von Falkenhayn have taken Liebst about five miles northwest of Campulung.

An attack against the Roumanian positions at Albecht less than three miles northwest of Campulung was repulsed.

More than 2100 prisoners were taken in the latest operations in Wallachia, 1500 alone being captured in engagements south of the Rothernthurm pass and toward Rimnik West of Predal, the invaders, Berlin says, broke the Roumanian positions, Rungul mountain in Moldavia, east of Kozdizavarehly, has been carried by Bavarian troops.

The town of Barakt, on the right bank of the Struma river and on the eastern end of the Macedonian front, has been occupied by British troops. On the western Macedonian front in the Monastir region, Berlin reports all attacks of the entente forces were repulsed.

The Franco-Serbian offensive in the region of the Cerna river, Paris states, continues with success. Several positions were occupied by the entente forces and Bulgar-German attacks were repulsed. The Franco-Serbians captured 400 prisoners on November 14th Paris adds.

Little activity is reported on the Somme front. The two latest official communiqués from Paris report no infantry activity. London claims the extension of the British front along the Aisne east of Beaumont. Berlin records the repulse of British attacks on the northern part of the front. Except for the capture by the Russians of several heights near Jacobeni, west of Kimpulung, Bukovina, neither Petrograd nor Berlin report any great activity on the eastern front.

In Dobruja apparently there has been little change. Berlin states that the Roumanian artillery fire in the region of Silistria, on the Danube below Tchernavoda, has increased.

FILE INJUNCTION AGAINST LIVESTOCK COMMISSION

Attorneys Representing Livestock Firms Petition for Action Against State Board.

Chicago, Nov. 17.—Petition for an injunction was filed today by attorneys representing eighty livestock firms or corporations doing business at the stock yards against the state board of livestock commissioners, and Dr. O. E. Dyson, state veterinarian, seeking to restrain them from selling or disposing of carcasses of diseased livestock slaughtered on orders of state inspectors.

It is alleged the carcasses are sent to rendering tanks and the proceeds paid to the owners of the condemned stock less the cost of detecting, detaining and slaughtering such animals and also the cost of disposing of the carcass products.

Other unlawful and unauthorized charges are made according to the petition.

The bill alleges that the methods of inspection are such that eighty per cent of the carcasses show on post-mortem examination that they are unfit for food. It is also alleged that 250 head of cattle are slaughtered each week, which the board refuses to allow the owners to dispose of or to profit by when the carcasses are sold.

SOLVES QUESTION OF RURAL SCHOOL DINNER

Wisconsin Rural Teacher Has Evolved Scheme Whereby Hot Dinner is Served Pupils Each Noon

Appleton, Wis., Nov. 17.—Miss Sophia Schaefer, rural school teacher for district number seven, Greenville, has solved the question of the solution of the dinner problem for rural school children.

At 11 o'clock each forenoon two girls in the school room leave their seats, go to the "kitchen" up front, and begin preparing dinner. Promptly at 12 o'clock, when the bell rings, hot dinner is served. Later the girls wash the dishes. At 1 o'clock lessons are resumed.

HEAD OF UNITED MINE WORKERS IS ACQUITTED

Charges of Political Activity Against Farrington are Dismissed.

Peoria, Ill., Nov. 17.—Frank Farrington, president of the Illinois division of the United Mine Workers of America and who has been on trial before a special convention on charges of political activity, was acquitted late today by a vote of 469 to 265.

Farrington was accused of using the official stationery of the organization for political purposes and of accepting money for political effort. He also was charged with neglect of duty in connection with conditions among miners in southern Illinois.

WILL CONSOLIDATE

Springfield, Ill., Nov. 17.—A \$2,000,000 corporation to manufacture automobiles was formed today when the secretary of state issued a permit for the Velle Motor Vehicle Co., and the Velle Engineering Co., both of Moline, Ill., to consolidate. The capital of the motor vehicle company is listed at \$1,600,000 and that of the engineering company at \$400,000.

OUTLINES SUGGESTIONS RAILWAYS WILL MAKE

Hearings On Transportations Questions Begin Monday

Question of Credit Now Said to be One of Most Serious Problems confronting Railroads—Representative Adamson Thinks Congress Will Enact Supplementary Legislation to 8-Hour Law.

WASHINGTON, Nov. 17.—Some of the suggestions the railways will make to the joint congressional investigating committee which begins hearings on transportation questions here Monday were outlined today at a special meeting of the national council of the United States chamber of commerce by A. P. Thom, counsel for the railway executives advisory committee. Mr. Thom said the railways would ask for:

"A federal incorporation law for interstate railroads; a measure enlarging the interstate commerce commission and creating regional bodies under it with original jurisdiction in rate questions subject to appeal by carriers or shippers to the entire commission."

"Amendment of the act by congress to regulate so as to reduce to sixty days to suspend tariff, and, authority to the commission to fix minimum as well as maximum rates such as it alone has at present."

The national council had given privileges to the railroad brotherhoods on its program for the afternoon but the secretary announced that telegrams had been received from W. S. Carter of the firemen and L. E. Sheppard, acting for Grand Chief Garretson of the Conductors, saying they could not arrange to be present. No replies to invitations had been received, he said, from the other two brotherhood leaders.

Mr. Thom's presentation of the railroads suggestions was preceded by speeches which brought the railroad eight hour law squarely before the council. Representative Adamson, author of the law declared he believed it constitutional but thought congress would enact supplementary legislation before the congressional investigating committee reports to make impossible another situation such as confronted the nation when the brotherhoods threatened to strike.

President Charles R. Van Hise of the University of Wisconsin said the country had no assurance that two years from now when a congress is to be elected or four years distant when a president is to be elected, the brotherhoods will not again come to congress with a demand for time and a half for overtime and threaten a strike if the demands are not met.

Mr. Thom discussed the history of American railroads and their regulation adding:

The Diplomatic Service

If custom is followed it will not be long until President Wilson receives the resignation of American ambassadors and ministers abroad. The rule generally followed in the past has been for these officials to tender their resignation, no matter who was elected to succeed the president under whom their appointments were first given. In some instances these resignations will be given with both the hope and the expectation of their acceptance as the duties have proved more arduous and less pleasant than the appointees had expected, largely from the conditions resulting from the war. In many instances, too, from the same cause living costs have increased so much that the officials no longer desire to remain in office. For the good of the diplomatic service it is hoped that a number of the resignations will be accepted for under the Bryan plan of choosing members of the service many incompetents were named just as a mere matter of reward for political activity.

President Wilson is to be credited with recognizing this condition because in an address not long ago he said, "Some men grow in office and others swell up." And the sentence is considered as especially applicable to certain divisions of the diplomatic service.

Give Women Time.

A Cook county official has given out the statement that women are failures as judges and clerks of election. He has come to this conclusion after looking over some of the mixups in the records of the recent election which he says are due to the inefficiency of women clerks and judges.

The statement does not do women justice, coming thus so soon after they have acquired the right to serve as election officials. After they have the experience that men have acquired thru many years they will no doubt have at least an equal amount of efficiency and accuracy. It's a safe thing to say also that most of the mixups in Cook county canvasses have not come from the inefficiency of women but from the crookedness of men. It is said that in the last election conditions were even worse than normally and it is really because of so many irregularities that present troubles are being experienced.

The Efficacy of Prayer

The statement of Capt. Sutherland of the Millikin football team that prayer had a great deal to do with his players' victory in the recent game with Illinois College, brings to mind a statement made years ago by a member of the faculty of Illinois college. In a certain oratorical contest one of the speakers forgot his lines. After an awkward pause he said, "My friends, I will go back a few paragraphs and then with the help of the Lord I may be able to remember." He followed this plan and all the oration came back to memory, and when the prizes were announced he had first place. The faculty member referred to said at the time that he was really in doubt as to whether the speaker or the Lord was entitled to credit for the victory. Possibly the same rule will apply to Capt. Sutherland's team.

The Rest Room Project.

The project of a public rest room deserves the earnest consideration of city authorities. At an early date it is understood that representatives of the women's country clubs of Morgan county will petition the council for the establishment of a rest room and will suggest that the pagoda in Central park can properly be used for such a purpose. This building

would offer some advantages as a rest room but also has some disadvantages. Be that as it may, a public rest room is needed here in this city and would prove a convenience to women from the country precincts and of material financial benefit to the merchants. In a great many much smaller towns than Jacksonville public rest rooms are maintained. Down at Murrayville the progressive business men have provided a building where men and women who visit the town are free to come. There are chairs, tables, writing materials and the various conveniences which go to make up a rest room.

In most cities the project succeeds thru the co-operative effort of merchants who recognize the value of extending the rest room courtesies and facilities to their friends from the country. Early steps should be taken to secure this needed addition to the conveniences afforded shoppers in Jacksonville. If some plan could be followed to secure such a room before the 1916 holiday season opens it would be an advantage to the merchants.

SUCCESSFUL PIE SUPPER HELD AT SCIENCE HILL

More than Sixty Dollars Cleared at Social Given by Sunbeam Class of Union Church Friday Evening.

A sum in excess of sixty dollars was cleared Friday evening at the pie supper given at Science Hill school by the Sunbeam class of Union Sunday school. Ross Cox is teacher of the class and Miss Mary Buchanan is president.

Charles Wright of Greenville, who has been employed recently in the Pisgah vicinity, served as auctioneer. The pies sold at prices ranging from seventy-five cents upward, one bringing \$2.95. A shadowgraph was arranged and when the shadow of the pie was thrown on the screen, the bidding was begun.

Following is the program:

Rippling Rhymes By WALT MASON

MONEY BACK.
"Your money back if things don't suit," our grocer says, in all his ads; but when I bought some wormy fruit for which I paid my hard-earned seeds, he did not cheerfully refund; his whiskers he began to comb, and tightened up his cummerbund, and talked until the cows came home. "Those prunes," he said in heated terms, "were fresh when taken from the shelf," implying that I put the worms into the dog-gone prunes myself. I pulled his ears and tweaked his nose, and said, "Well just forget those prunes, but never more, till life shall close, will I spend here my picanynnes." A lot of merchants make that bluff, "Your money back, if things don't please," but when you call to get the stuff, they hand you out the same old wheeze. But now and then a merchant holds makes good and never bats a glim; you say that man's as good as gold, and name your infant after him.

THIS DATE IN ILLINOIS HISTORY

November 18, 1779—John Todd, the first county lieutenant of Illinois turned over his office to a deputy and left the country, disgusted with the climate and with the lack of effective governmental organization.

LEAVES FOR NEBRASKA

SOCIAL EVENTS

Box Supper at Long Point School.

A box supper and program was given at Long Point school Thursday evening. The proceeds for the evening amounted to \$40.30 which will be used for the school library. Following the supper an interesting program was given by the pupils of the school. The prize for the most popular young lady was won by Miss Myers and the prize for the homeliest man went to Howard Phillips. A number were present from New Berlin and Asbury.

Mrs. Brown Hostess.

Mrs. L. J. Christian was guest of honor Friday afternoon in a reception given by Mrs. G. W. Brown, 235 Westminster street, for women of the Congregational church. The hours were from 3 to 6. Tea was served. During the afternoon Mrs. Christian favored the company with several songs in the Chinese language.

For Grace Church Choir.

The choir of Grace M. E. church held a social meeting Friday evening at the home of Dr. and Mrs. A. B. Applebee, 1188 West College avenue. Twenty-five guests were present for a pleasant evening and profitable song rehearsal.

Delta Alpha Class Has Wiener Roast.

Mr. and Mrs. Ray Bourn, south of the city, entertained the young women of the Delta Alpha class of Central Christian church Friday evening. A wiener roast was enjoyed and additional refreshments of more substantial character were served by the hostess. Music was a feature of the evening's entertainment. The company numbered twenty, with the teacher of the class, Miss Marie Finney.

Mrs. Brown Entertains Centenary Society.

The Woman's Home Missionary society of Centenary M. E. church was pleasantly entertained Friday afternoon by Mrs. Edward Brown at her home on South Maudslaw street. "Schools of the Southland," was the afternoon topic and the program was in charge of Mrs. Rafferty. Several leaflets were presented and routine business received attention.

The next meeting will be held at the home of Mrs. J. C. Weber, of West Court street.

Given Surprise.

Mr. and Mrs. Clem Haxton were pleasantly surprised Friday evening at their home, 425 East North street, when several friends arrived unexpectedly and gave Mrs. Haxton a linen shower. During the evening light refreshments were served. Among those present were the Misses Ruth Platt, Rena Chaney, Helen Self, Hilda Fanning, Effie Sheppard, Lorraine Baptist, Mrs. Eleanor Fernandez and Mr. Homer Ferreira.

Philologist Society.

A Discovery about your TEETH

Tonight, if you will closely examine your teeth after brushing them, you will make a surprising discovery. Though you have been cleaning your teeth regularly, you will find an accumulation of tartar on the enamel and bits of food deposit hiding between the crevices. Your dentifrice has not been REALLY CLEANING!

Loss of teeth is usually due to one of two conditions—Pyorrhea or Decay—both of which ordinarily develop only in the mouth where germ-laden tartar is present.

CLEAN your teeth—REALLY CLEAN them! Senreco, a dental specialist's formula will do it. Senreco embodies specially prepared, soluble granules unusually effective in cleaning away food deposits. Moreover, it is particularly destructive to the germ of Pyorrhea. Go to your dealer today and get a tube of Senreco—keep your teeth REALLY CLEAN and protect yourself against Pyorrhea and decay. Send 4c to Senreco 304 Walnut St., Cincinnati, Ohio, for trial package.

THE "SPIRIT OF '76"

Bore out in its heroism, and in its martyrdom, the unconquerable characteristics of the patriot fathers. That same spirit is as manifest today, as it was one hundred and fifty years ago. The call to arms that PREPAREDNESS has sounded, has proven that the "spirit of '76" is not a patriotic reminiscence, but a living impulse that the circumstance of a crisis called into responsive action. When a "crisis" in your health is reached, S. S. S. is the most responsive BLOOD MEDICINE to be found. S. S. S. is the GREAT NATIONAL BLOOD PURIFIER. You and your father and your grandfather have read about S. S. S. When you go to buy S. S. S. you are sure to do so sooner or later, look out for substitutes. Insist on the genuine. SINCLAIR COUNTRY CLUB HAS ANNUAL MEETING

Pleasing Program Carried Out Friday Evening at Hospitable Home of Mr. and Mrs. Lester Hart.

The second annual meeting of the Women's Country club of Sinclair was held Friday evening at the spacious home of Mr. and Mrs. Lester Hart, who royally entertained the members, their families, and a few guests. Mrs. Hart, president of the club, called the meeting to order and gave a word of welcome. The history of the club was given by Mrs. Robert Hopper, the secretary. When the roll was called, twenty-four of the membership of twenty-five answered.

The program was literary and musical in character and was carried out as follows:

Piano solo—Miss Eva Baxter.
Reading—Mrs. Henry Daubard.
Piano duet—Misses Maude and Mabel Robertson.
Reading—Mrs. J. C. Swain.
Piano solo—Miss Rowena Sinclair.
Violin solo—Mrs. Charles Bealmeier.
Reading—Miss Irma Fox.
Piano solo—Miss Rowena Sinclair.

After the program a bountiful supper was served, prepared by a committee composed of Mrs. William Richardson, Mrs. T. U. Fox, Mrs. Amos Swain, Mrs. Albert Epper and Miss Anna Mae Wilson.

Guests of the evening were William Hopper and the Misses Bessie Harrison, Eva Baxter and Emma Hunter.

The club was organized July 29, 1915, and held the first annual meeting the fall of the same year. The meetings are held bi-weekly and have always proved a source of pleasure and much profit.

Following the supper Friday evening a social hour prevailed and the guests were warm in their praise of the hospitality tendered by Mr. and Mrs. Hart.

Miss Helen Jackson and Miss Cox were in Pisgah Friday evening to attend the pie supper given at Science Hill school. Mr. and Mrs. A. E. Curry were city visitors Friday afternoon and the young women accompanied them home.

With the Opening Today of

PHALEN & COSGRIFFS'

New Store

(Formerly Piepenbring's, 501 East State Street)

EXCELLENCE EVERYWHERE—NEW STOCKS—NEW METHODS—SATISFACTION GUARANTEED

We are announcing a sale, and we are not going to try to convince you that we can give you something for nothing, or something at less than cost. We don't do those things, nor can anyone else, and live.

Our Motto will be—Not the price, but what we shall give you at the price, with quality and service always first.

An inferior quality of foods is expensive at any price; such buying is a practice no family can indulge in, particularly when market quotations are as now. Every food buyer should watch price quotations, study values, quality and buy accordingly.

We are in position now to buy in large quantities, to command the best the market affords. We shall be content with but a small margin of profit, but must have quick sales. To do this we must give satisfaction.

SOME SUGGESTIONS FOR OUR SATURDAY VISITORS

Fancy oranges and lemons, choice grape fruit, fine apples, choice Emperor grapes, bananas, new hominy, new figs and dates, new nuts, fresh tomatoes, cauliflower, spinach, head and leaf lettuce, celery, sweet potatoes, potatoes, cranberries, squash, Bermuda and silver skin onions, fresh mushrooms, choice hams, bacon, cheese, olives, pickles, butter, eggs, coffee, tea, everything in canned goods.

MAKING DIMES AND DOLLARS GO FURTHER

If cream is considered too expensive to furnish to a large family, make a thin custard of a pint of milk, one egg, vanilla and a little cornstarch, and keep in a cool place. Poured over fruit this is delicious and takes the place of cream.

A kettle of cold water put on the radiator at night will be found quite warm in the morning. This will effect a saving of gas.

Do not throw away celery leaves but dry them and place in a closed jar. When making soup add a few of the leaves tied in a cloth. The celery taste will be even finer than from the fresh stalks.

A good substitute for sour milk in spice cake is a cup of apple sauce to which has been added a teaspoonful of soda.

When using a recipe for oranges or lemons which does not call for the rind, carefully remove the yellow portion of the latter and pack in a glass jar with granulated sugar. The sugar, when it has become slightly moist from the oil of the rind, is excellent as a flavoring for puddings, sauces etc.

If coffee is soaked two or three hours before boiling a less quantity will be required. Do not soak in a metal pot but in a covered earthen vessel.

When baking rice pudding, scalloped potatoes, baked macaroni or anything which requires a long time to bake, start it to boil on the top of the stove before placing in the oven. It will bake in far less time, thus saving fuel.

Pancake batter left over from breakfast should be put in a cool place until next morning. Then take slices of bread, dip in the batter and fry. This is fully equal to French toast.

Gasoline which has been used for cleaning garments or household articles need not be thrown away. Before the cleaning is started get several sheets of filter paper from the drugist. Then when the cleaning is finished pour the gasoline thru this paper and it will be free from foreign particles and can be used again satisfactorily.

An old quilt which has seen much use can be used as padding for a new quilt. Use a good material for top and lining and if there are any holes in the old quilt fill them in with cotton, then quilt rows close together. The result will be a strong heavy quilt which will be serviceable for years.

Scrubbing brushes will last much longer if they are always put to dry with the bristles face downward. If dried in the other way the water soaks into the wood and rots the bristles.

ALLEGED VIOLATION OF ANTI-TRUST LAW

SUITS BROUGHT AGAINST MOTION PICTURE PATENTS COMPANY.

Film Agencies in Middle West File Action Asking Damages of Approximately \$18,250,000.

New York, Nov. 17.—Seven suits asking treble damages amounting to approximately \$18,250,000 and alleging violation of the Sherman anti-trust law were brought against the Motion Picture Patents company and various moving picture companies and individuals in the federal court here today on behalf of the Colorado Film Exchange, the Chicago Film Exchange and several other film agencies in the middle west.

The plaintiffs who are engaged in the business of selling and renting films in Illinois, New York and elsewhere in interstate commerce, complain that as a result of what is asserted to be a combination among the defendants they were excluded from competition, their business has been rendered unprofitable and that they have otherwise been damaged. The conditions they complain of, they allege have continued since January 1st, 1909.

The plaintiffs and the losses in profits set forth by them in the papers filed are the Colorado Film Exchange, \$500,000; Samuel Schiller of Chicago, \$149,000; Standard Film Exchange, \$247,000; George Melles Company of Illinois, \$908,000; Miles Brothers, Inc. of Chicago, \$2,225,000; Eugene Kline, of Chicago, \$950,000 and Chicago Film Exchange, Chicago, \$1,000,000.

The co-defendants with the Motion Picture Patents company are the General Film company, the Biograph company, Thomas A. Edison, Inc., Essanay Film Manufacturing company, Kalem company, Lubin Manufacturing company, Selig Polyscope company, Vitagraph company of America, Armat Moving Picture company, Pathe Freres, George Klein, Frank L. Dyer, Henry N. Marvin, James J. Kennedy, William Pelzer, Siegmund Lubin, Albert E. Smith, George K. Spoor, W. N. Selig, and J. A. Berst.

HUNTER IS NOTIFIED OF FATHER'S DEATH

Relatives are Unable to Reach Iowan in Minnesota Woods for Several Days.

Duluth, Minn., Nov. 17.—Joseph H. Ross, a wealthy resident of Audubon, Iowa, in the thick of the woods near Tofte, Minn., was notified yesterday that his father had died and had been buried since he left Iowa last Friday.

Sunday Ross left here with L. E. Simpson and I. P. Hallock, of Brayton, Iowa, for the Tofte Woods on a hunting expedition. Two hours later a telegram was received here by a hotel man, telling of the death of Ross' father. No telegraph office is open at Tofte, and the telephone line is out of order. The hotel man despatched two messengers with the telegram. Ross is coming out today.

STRIKES A MATCH TO LOCATE GASOLINE LEAK

One Dead and Two Others Seriously Burned as Result.

Peoria, Nov. 17.—Bert Wilson, 32, was drowned and two other persons were seriously burned at Kingston Mines, 30 miles south of here, early today when the engine of the launch they were propelling on the Illinois river exploded, forcing the men to jump into the stream. The explosion occurred when one of Wilson's companions struck a match to investigate a leak in the gasoline tank.

IF FEDERAL JUDGE LANDIS COULD HAVE HIS WISH

There Might Possibly Be Some Action Regarding Supervision of Private Banks Very Soon.

Chicago, Nov. 17.—Federal Judge Landis expressed a wish today that members of the next state legislature had lost their money in the recent private bank failure of Adolph Silver and Company.

"Then," he said, "maybe we could get a bill passed making this kind of embezzlement illegal."

The judge's views were expressed when informed by the receiver for the wrecked institution that its liabilities were about \$250,000 and the assets only \$13,000.

NOTORIOUS SWINDLERS ARE GIVEN SENTENCE

Judge Imposes Indeterminate Sentence on All Three Men, With a Maximum of Three Years Each.

Davenport, Ia., Nov. 17.—J. W. Reeves, John W. Brown and Harold Ward, members of a gang of confidence men alleged to have swindled Iowa, Illinois and Missouri farmers out of over \$100,000, were sentenced in court here today. They entered pleas of guilty last Monday.

Judge Donegan imposed an indeterminate sentence, with a maximum of three years on each prisoner. They will be taken to Fort Madison immediately. After sentence was pronounced, the prisoners asked the court to allow them to go to the penitentiary on their honor and unaccompanied by an officer. The request was refused.

WILL STUDY PRISON CONDITIONS IN NAVY

Former Warden of Sing Sing Undertakes Work at Request of Secretary Daniels.

Washington, Nov. 17.—Thomas Mott Osborne, former warden of Sing Sing, has undertaken a study of prison conditions in the navy to recommend a reform system of administration.

Mr. Osborne agreed to make the study at the request of Secretary Daniels, who wants to inaugurate reform methods in handling and treatment of prisoners at navy stations. "There has been a gradual lessening of the more severe punishments of navy prisoners for some time," said Secretary Daniels today.

"Penalties for overstay of leave and like violations of regulations have been relaxed and the men given the opportunity make reparation for misdemeanors which under the old system would have meant their discharge from the service or imprisonment for a long term of years."

SEARCH CONTINUED FOR THREE HUNTERS

Men Are Believed To Have Shot and Killed Minneapolis Hunter, Thinking He was a Deer.

Two Harbors, Minn., Nov. 17.—Search is continuing tonight for three hunters alleged to have killed Raymond Simonson, Minneapolis, whom they are believed to have shot thinking he was a deer. The hunting party with Simonson were Fred and Walter Holmberg of Duluth. The Holmbergs heard a shot then a cry from Simonson. They saw three hunters whom they say they can identify running and asked what was the matter.

"Nothing!" yelled one as the trio disappeared into the brush. The Holmbergs came upon Simonson in the agony of death. Sheriff Nelson is determined, he says, to make an example of the men if they are caught.

KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action, yet always effective. They bring about that exuberance of spirit, that natural buoyancy which should be enjoyed by everyone, by toning up the liver and clearing the system of impurities.

You will know Dr. Edwards' Olive Tablets by their olive color. 10c and 25c per box. All druggists.

JOHN W. MERRIGAN HEADS ICE CREAM MAKERS

Jacksonville Man Elected President of State Association at Chicago Meeting.

John W. Merrigan has returned from Chicago, where he went to attend the seventeenth annual convention of the Illinois Association of Ice Cream Manufacturers. Mr. Merrigan was chosen president of the organization which includes 150 manufacturers of ice cream located in Chicago and various down state cities.

The meeting took place at Hotel Sherman and the program aside from the business session included a number of addresses by well known specialists. Among those who spoke were Col. William E. Skinner of Chicago who told of the work of the national dairy council; Mr. John Dill Robertson, commissioner of health in Chicago whose subject was "Sanitation in the Ice Cream Factory," and Dr. Walter G. Bain of Springfield, whose theme was "Food Ice Cream as a Diet for Fever Patients." "The Manufacture and Revenue Law," "Illinois Food and Sanitation Laws" and "Pasteurization of Products for Ice Cream Making" were other themes discussed.

WOMEN PROPOSE
PAGODA AS REST ROOM

Members of Country Clubs Will Make Suggestions to City Authorities.

Representatives of the women's clubs of Jacksonville held a recent conference in this city and as a result it is understood the city council will soon be asked to change the pagoda in Central Park into a rest room. The idea that the women advance is that the basement rooms could be fitted up with toilet facilities and the platform proper made into a spacious room or possibly divided into two smaller apartments. They suggest that without great expense the pagoda could be sided with laths and that a system of heating could be installed which would make the room comfortable during the winter months. The glass walls could be so arranged that they could be partially removed during the summer months.

A number of business houses now have rest room facilities at the disposal of their customers but the women from the country declare that there is much more freedom in a public rest room. They do not feel like going to a rest room in a business house unless they either make a purchase at the time or are counted among regular customers. There is certainly a demand for a rest room in Jacksonville and such a place, well equipped and conveniently located, would prove a very great convenience to many visitors from the country precincts.

PLANS FOR RELIEVING
PRESENT CAR SHORTAGE

Are Presented to Commissioner McChord of Inter-State Commerce Commission.

Louisville, Ky., Nov. 17.—Plans for relieving the present countrywide car shortage thru the agency of a committee of railroad representatives sitting in Washington were presented to Commissioner C. C. McChord of the inter-state commerce commission here tonight by a special committee appointed by the American railway association to confer with him. Commissioner McChord gave his tentative approval to the plan, which will be put before the inter-state commerce commission at once. The hearings which have been in progress here in connection with an investigation by the inter-state commerce commission into the methods of exchange and return of freight cars by railroads will probably be brought to a close next Tuesday night, when it is understood Commissioner McChord will go to Washington to meet with the committee of railroad representatives which has been given practically plenary power by the American Railway association to enforce or to modify the existing car service rules.

The committee is made up of five members representing the railroads of New England, the south, the east, the west and the Pacific Coast. The members are E. J. Pearson, vice president of the New York, New Haven & Hartford; C. M. Shaffer, general superintendent of transportation of the Pennsylvania; E. H. Coapman, vice president of the Southern; W. L. Park, vice president of the Illinois Central; W. A. Worthing, vice president of the Southern Pacific; and George Hodges, chairman and secretary of the car service commission of the American Railway association. One member of the inter-state commerce commission, it is understood, will act with the committee as long as it is sitting and pass upon all the measures that may be proposed for providing relief for any particular section where an acute shortage of equipment develops.

NEW HEATING PLANT
PROPOSED AT J. S. D.

Plans Have Been Drawn and Have Approval of Board of Administration.

Plans were drawn some weeks ago for a new heating plant at the State School for the Deaf and are understood to have the approval of the state board of administration. Previously Supt. Gillett had asked the Caldwell Engineering Co. to outline plans for reconstructing a switch from the Wabash railroad across the institution's farm land and to the heating plant for the special purpose of securing coal for the institution by that route. The trackage plans were therefore made a part of the general heating plant plans which were drawn under direction of Mr. Dibelka, state architect. Should the plans be adopted the heating plant and power house will be located on the ground just east of the institution reservoir in the space now occupied by the carriage house and garage. The plans as drawn follow the most modern lines, and if adopted the School for the Deaf will have a heating plant unsurpassed in the state for efficiency and economy.

A plant so arranged that the coal and cinders can both be handled in elevators will mean a considerable saving in labor and thus an economy measure. It is estimated that hauling the coal to the institution wholly by railway trackage would effect a saving of at least \$3,000 annually.

SEVEN AMMUNITION
STEAMERS BLOWN UP

Harbor of Archangel Resembles Burning Volcano When Explosions Occur.

Berlin, Nov. 17.—By Wireless to St. Petersburg. Seven ammunition steamers recently were blown up in the harbor of Archangel, according to a Russian newspaper published in Archangel, says the Overseas News Agency, which quotes the paper as saying:

"This evening Archangel was terrified by an appalling noise. It seemed that the whole port was aflame. At 6:15 P. M., seven ammunition steamers which had arrived in the morning were blown up. The explosion was so enormous that iron fragments of ships fell 700 yards away. The port for several minutes resembled a burning volcano and pieces of glowing iron fell. All the port was threatened."

"Thirty seven store houses were razed. The damage is estimated (suppressed by censor) millions of rubles."

"According to the latest statements (number suppressed by censor) corpses were found."

"Seven hundred and sixty three severely injured persons were taken to hospitals. However, the number of victims will be found to be considerably larger when the ground has been cleared. Access to the port district continues to be forbidden."

Despatches to the Exchange Telegraph company from Stockholm on Nov. 16th, quoted a Stockholm newspaper as saying that the Russian ammunition steamer, the Baron Brecken, was blown up in the harbor of Archangel, causing the death of 150 persons and wounding 650.

POLITICAL OUTLOOK
IN CHINA REVIEWED

Brotherhood of the Congregational Church Heard Interesting Address Friday Night.

The Brotherhood of the Congregational church had its regular meeting last evening with a good attendance. Messrs. Lee Donne and A. D. Fairbank were caterers and did their work to the full satisfaction of all. After supper the organization adjourned to the lecture room where there was a general audience to hear Rev. and Mrs. L. J. Christian regarding the political outlook in China.

Mr. Christian narrated in a graphic manner the events that led to the downfall of the ancient Manchurian dynasty. In 1915 a large group of young men began to get progressive ideas regarding many matters and the government killed many, deported some and oppressed others. Many of the young men went to other lands and studied the ways and customs there and finally returned filled with the ideas they had acquired while in exile.

The Manchurian dynasty tried to tax sedan chairs but was unable to enforce the decree and the nation rose en masse against the royalty and banished the whole class. The people wanted very much a republic and were unwilling to believe they were not ready. Yuan Shi Ki was not wholly wrong when he proclaimed himself a king but the people would have none of it and are wholly unwilling to believe themselves unready for a republican form of government but great hopes are entertained for final success of the new regime.

Mrs. Christian said the student classes wanted the best form of government and insisted on a republic and are not willing to have any other. The ignorant masses don't know what they have or what they want and therein lies the great danger for they are not a cohesive, unified, intelligent people. The great hope of China lies in the children being wisely trained. Some kindergarten songs sung by her were much enjoyed.

PAWNEE RAILROAD

WORK PROGRESSES

The Pawnee railroad has been constructed to connect with the Chicago North-western line at a point south of Springfield and it is announced that very soon this construction work will be pushed on until Waverly is reached. The purpose of the Pawnee railroad is to give coal traffic connection with a number of larger roads and when the line has been completed to Waverly it will touch the Burlington, the Chicago North-western, the Chicago & Alton, the Illinois Central and the Illinois Traction system. There has been a rumor too that after Waverly is reached that the construction work will not end but the line will be continued to the southwest.

SHURTLIFF GAME DELAYED UNTIL TODAY

Teams Will Line up Promptly at 2:30 on Illinois Field.

Much to the surprise of Coach Harmon Friday he was called over the telephone by the president of Shurtleff college and asked if the game could be started early Saturday so that the Shurtleff team could get home on the afternoon train. Coach Harmon immediately said that all preparations had been made to play the game Friday.

It seems that when the Illinois' schedule was made out last February the Shurtleff president changed the date from Friday to Saturday. Upon its return the Illinois management immediately notified him that if the game could not be played Friday it would have to be cancelled. He replied saying the game would be played Friday. Evidently the date was not changed in the contract and this caused the confusion.

Rather than have his men be without a game for two weeks Coach Harmon agreed to play the game today. The teams will lineup on Illinois field at 2:30 o'clock sharp. Illinois has been taking a strenuous workout all week and should be able to work in whirlwind fashion. Illinois perhaps was never in better shape and if the weather conditions continue favorable will be fast this afternoon.

Coach Harmon will start the regular lineup, tho he probably will give some of his second string men a chance to get in the battle before it is over. Illinois will lineup as follows: Rendleman, b; Mitchell, 1; Zink, 1g; Valentine, c; Thiebaud, 2r; Conklin, 2t; Frisbie, 3r; Wilson, 3; Whisler, 1b; Pierce, 2b; Jones, 3b.

RACE COURSE TROPHY IS DISPLAYED

Cup Won by Marie Constant at South Bend Now in Journal Office Window.

In the window of the Journal office is a splendid likeness of Marie Constant, the famous race mare and her driver, Clark L. Green of this city. There also is displayed the silver loving cup which the mare won at South Bend, Ind., in September.

The cup is of silver, gold lined and is a beautiful piece of work. It sets on a solid ebony pedestal. It has the following inscription engraved on it:

Presented To
Clark L. Green
By
Oliver Hotel, South Bend, Ind.
Sept. 15, 1916
Won By

ARGUMENT CONTINUES IN BROWNING CASE

Written Briefs May be Filed When Oral Argument is Finished—Judge Creighton Does not Limit Attorneys.

Speaking in behalf of the trustee in the Browning land case W. T. Wilson concluded his argument at 11 o'clock Friday in circuit court. He was followed by Walter Pollatti in behalf of Mrs. O'ear and later John J. Reeve presented an argument representing especially the interests of the several philanthropic societies that are legatees under Mr. Browning's will. Following Mr. Reeve argument was made by Paul Moriarty for Mrs. O'ear and this morning other attorneys will speak. Judge Creighton has recognized the importance of the issues at stake and said at the beginning that he wished to allow the attorneys all the time they considered necessary for oral presentation of the case. He said further that at the conclusion of this evidence he would permit the filing of briefs if the attorneys desired. It is possible that the argument will be concluded today.

RECOUNT OF VOTES WILL BE ASKED

Fred B. Henderson Believes Errors Were Made in Recent Election Returns.

As the result of the canvass of votes in the recent election showed such a close race between C. W. Boston, Democrat, and F. B. Henderson, Republican, candidates for office of circuit clerk, Mr. Henderson has definitely decided to ask for a recount. The official canvass of votes showed Mr. Boston elected by 11. Various instances have come to the attention of Mr. Henderson which indicate errors of record thru the action taken by election officials and Mr. Henderson has decided that in justice to himself and his supporters that a recount is proper. Judge M. T. Layman and L. O. Vaught are understood to be preparing the petition asking for a recount and it will be filed some time the coming week.

Thanksgiving Time Is Dining-Room Time

Whether you are planning on Thanksgiving festivities in your own home or not—this is the logical time of the year to brighten the dining-room—for Thanksgiving ushers in the long season of hospitality and entertainment in which the dining-room will play a very important part.

Naturally you will want your dining-room to look its best—for it is here that your guests will receive their impression of your home.

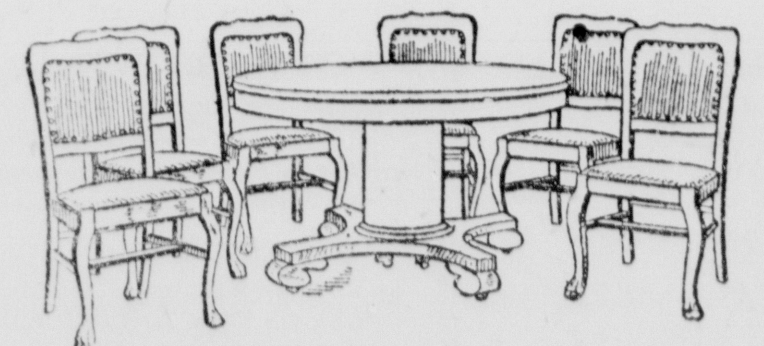

Perhaps new curtains are needed—or a new rug or possibly a new dining table or new chairs—or a serving table—or a dinner wagon. Whatever is lacking should most logically be supplied now.

No matter how little or how much you may be prepared to pay for any dining-room furnishing requirement, we believe it will pay you, not alone from a standpoint of dollars and cents, but from the standpoint of "desirability" and "fitness for your needs"—to rely in the Andre & Andre store.

Everything here is marked in plain, readable figures, one right, lowest possible price to everybody all the time. We suggest that you make value comparisons.

You will always be cordially welcome here, whether you come to buy or just to look.

Some very helpful suggestions for the furnishing of the dining-room are offered in one of our windows.

Never before have we shown such a large and varied line in Colonial, Period and Straight line.

We offer special in golden quartered white oak, chairs upholstered, seat and back, in best grade brown Spanish leather, similar to illustration. For the six Chairs and Table,

PRESIDENT ISSUES ANNUAL PROCLAMATION

DESIGNATES NOVEMBER 30TH
AS THANKSGIVING DAY

Suggests That Americans Think of Stricken Peoples of the World Up on Whom the Curse of War Has Fallen and Contribute to Relief of Their Sufferings.

Washington, Nov. 17.—President Wilson today formally by proclamation designated Thursday, Nov. 30, as Thanksgiving Day.

Here follows the president's proclamation:

"It has long been the custom of our people to turn in the fruitful autumn of the year to praise and thanksgiving to Almighty God for His many blessings and mercies to us and the nation.

"The year that has elapsed since we last observed our day of thanksgiving has been rich in blessings to us as a people, but the whole face of the world has been darkened by war. In the midst of our peace and happiness, our thoughts dwell with painful disquiet upon the struggles and sufferings of the nations at war and of the peoples upon whom war has been brought without choice or possibility of escape on their part. We cannot think of our happiness without thinking of their pitiful distress.

"Now, therefore, I, Woodrow Wilson, president of the United States of America do appoint, Thursday, the thirtieth of November, as a day of national thanksgiving and prayer and urge and advise the people to resort to their several places of worship on that day to render thanks to Almighty God for the blessings of peace and unbroken prosperity which he has bestowed upon our beloved country in such unstinted measure.

"And I also urge and suggest our duty, in this day of peace and abundance, to think in deep sympathy of the stricken peoples of the world upon whom the curse and terror of war has so pitilessly fallen and to contribute out of our abundant means to the relief of their sufferings.

"Our people could in no better way show their real attitude towards the present struggle of the nations than by contributing out of their abundance to the relief of the suffering which war has brought in its train.

"In witness whereof, I have hereunto set my hand and caused the seal of the United States to be affixed.

"Done at the City of Washington this 17th day of November, in the year of our Lord, 1916, and of the Independence of the United States the 41st.

"WOODROW WILSON.
By the president,
"Robert Lansing,
"Secretary of State."

"THE BIRD OF PARADISE" COMES MONDAY

Next Monday night Oliver Morosco will present Richard Walton Tully's Hawaiian romance, "The Bird of Paradise" at the Grand. This will be the sixth season of this popular play on the road. During the five years of the play, Manager Morosco has made five women famous in the leading role of Liana, the little Hawaiian princess, and he will now offer the sixth in Miss May Buckley, an actress who has an extensive stock career, besides having appeared in several Broadway successes.

The singing of the native Hawaiians is one of the chief features of this charming play and they will again be heard in the plaintive Island ditties. The company is a large one, consisting of over a score of acting people and they have been carefully selected by the management.

The advance seat sale is showing the great local interest in the production.

W. C. T. U. CONVENTION

Indianapolis, Ind., Nov. 17.—White ribbons fluttered in Indianapolis today. Women of every creed and station, wearing the snowy badge of the W. C. T. U. attached to emblems from every state of the union, gathered for the opening of the annual convention of their great national organization. Enthusiasm over the prohibition victories in the recent elections promises to furnish the keynote of the convention, which in point of attendance is the largest ever held by the organization.

Today was given over to the reception of the visitors, the meetings of committees and the transaction of the preliminary business of the convention. Tonight the delegates are to be welcomed in addresses by the Governor of Indiana, the Mayor of Indianapolis, and representatives of the local churches and temperance organizations. The regular business sessions will begin tomorrow and continue until next Wednesday night. An extensive program has been prepared for three sessions each day, except Sunday, when afternoon and evening religious meetings will be held. The election of officers will take place next Tuesday and it is expected all the present officers will be re-elected.

BREAKS A COLD IN JUST A FEW HOURS

"Pape's Cold Compound" Ends Grippe Misery—Don't Stay Stuffed-Up!

You can end grippe and break up a severe cold either in head, chest, body or limbs, by taking a dose of "Pape's Cold Compound" every two hours until three doses are taken.

It promptly opens clogged-up nostrils and air passages in the head, stops nasty discharge or nose running, relieves sick headache, dullness, feverishness, sore throat, sneezing, soreness and stiffness.

Don't stay stuffed-up! Quit blowing and snuffling! Ease your throbbing head—nothing else in the world gives such prompt relief as "Pape's Cold Compound," which costs only 25 cents at any drug store. It acts without assistance, tastes nice, and causes no inconvenience. Be sure you get the genuine.—Adv.

JACKSONVILLE HIGH TO PLAY GEM CITY

Coach Hufford's Men Hope to Win From Quincy Today.

Jacksonville's High School warriors will journey to Quincy today and will meet the Quincy High School team this afternoon. On form the locals should win as Quincy has not played either good or consistent football this season.

Coach Hufford has had his men working hard all week and all of them are in the pink of condition. The team came out of the Beards-town game in good shape and should go into the battle this afternoon fit as the proverbial fiddle.

It is understood that Quincy has been building a defense to stop end runs. While Jacksonville has a reputation for circling the ends it is not the team's whole stock in trade. The past week Coach Hufford has been perfecting the team in forward passing and it is probable that the over-head game will be used largely in the offense.

However, Jacksonville has been especially strong this year in line plunging and off tackle plays. There are no two better line plungers in high school football than Hull and Howard Reynolds and they can be depended upon for several yards when called upon to hit the line.

Homer Reynolds and Reeve and Green are expert in running the ends. The Beards-town team, knowing of Homer Reynolds' speed had built a defense to stop him and during the entire game with Beards-town he was a marked man. However, it is not believed that Quincy has a defense as strong as Beards-town's and it is probable that Jacksonville will use a versatile attack against the gem city boys.

Quincy has not won many games this year. In their last start a week ago today they were defeated by Keokuk by a score of 27 to 9. The locals will lineup as follows: Ferguson, le.; Arter, rt.; Tholen, lg.; Walker, c.; Molohon, rg.; King, rt.; Firke, re.; Howard Reynolds, lb.; Homer Reynolds, rh.; Hull, fb.; Smith, Fitch, Green, substitutes.

A GREEDY HORSE.
A well known and reliable farmer said he had owned a horse which always seemed hungry and he thought he would test the stomach and digestive capacity, so he gave the animal 22 ears of corn twice a day and the animal ate all with a relish and wasn't sick at all. Ten ears, the gentleman said, was his feed for a good sized work horse but this went ahead by a large amount. At the end of the week he went back to the ordinary ration and the horse kept right on with his work as usual.

HABEAS CORPUS CASE

In the circuit court habeas corpus proceedings, have been brought by Paul Samuell as attorney for E. S. Mann. The petition declares that Mr. Mann was adjudged insane in the Logan county court Dec. 3, 1910, and since that time he has been a patient at Jacksonville State Hospital.

He maintains that since that time he has been restored to reason and therefore the habeas corpus proceedings are being brought in the effort to secure his release. The proceedings are directed against Dr. E. L. Hill as superintendent of the hospital.

WASHINGTON CELEBRATES
PRESIDENTS HOME COMING

Thousands Join in Parade in Honor
of Wilson's Re-election.

Washington, Nov. 17.—The people
of Washington and of nearby sec-
tions of Maryland and Virginia gave
President Wilson an enthusiastic
homecoming celebration in hon-
or of his re-election. More than
10,000 strong they marched from
the capitol to the white house to the
music of many bands and waving
red lights while varied-colored
bombs burst overhead. When they
had passed a chorus of 200 voices
serenaded the president with "The
Star Spangled Banner," "Dixie," and
other patriotic melodies.

Men and women—members of
Democratic organizations, govern-
ment clerks, suffragists, representa-
tives of union labor and citizens gen-
erally participated.

The president with Mrs. Wilson
and a party of relatives viewed the
procession from the northern portico
of the white house fronting on Penn-
sylvania Avenue. The first section,
with a band, marched into the white
house grounds and stopped while
the president shook hands with the
grand marshal, and the president of
the district Wilson and Marshall
Democratic association and thanked
them for the welcome.

From a reviewing stand outside
the white house grounds Secretaries
Launing, Baker and Aschland and
members of their families and other
ranking government officials and
municipal officers watched the pa-
rade. Leading those on foot was
Secretary Tumulty. A group of suf-
fragists carried a banner bearing the
words "We did it."

As the head of the parade ap-
proached, bombs exploding in many
colored showers were fired over the
white house from the Washington
monument grounds to the south. The
marchers themselves joined with the
spectators in cheering and singing.

—VIRGINIA—

Rev. C. E. French, pastor of the
Christian church in this city, was in
Jacksonville Tuesday where he at-
tended a meeting of the District Mis-
sionary society of this district of
which he is secretary.

Miss Kate Saffern, formerly a
clerk at R. P. King's dry goods
store, is now an employee at the post
office.

Mr. and Mrs. Jos. Stockton arrived
in this city Tuesday, they will oc-
cupy their cottage on Sylvan avenue.
The nickle society of the Chris-
tian church met with Mrs. Fred
Fisher Tuesday.

Wm. J. Jacobs who was injured
in an auto accident last Wednesday,
remains in a serious condition at his
home on East Beardsdown street.

A delegation from the local Re-
bekah lodge will go to Chandler-
ville where they will attend a meet-
ing of the Rebekahs in that city.
The Democrats of this vicinity
celebrated the re-election of Pres-
ident Wilson Tuesday night. They
formed a parade consisting of a
decorated hay rack, a few autos, a
goat and a number of small boys
carrying banners and torches. A
few horns and a drum completed the
parade. They met the evening train
in the expectations of escorting a
speaker to the court house but from
some reason no speaker came. They
then marched thru the principal
streets, returning to the park where
a stuffed elephant was burned and
the ashes were buried amid much
shooting by boosters. The affair
would remind a person of the ac-
tions of the small boys after their
first visit to a wild west show.

Mrs. Simeon Fernandes and son
of Chicago are the guests of her sis-
ters, Mesdames Mayne Stearnitz and
Dorothy Gibson of this city.

The Ladies Guild of the Presby-
terian church met with Mrs. Loren
Dunwiddie at her beautiful country
home west of town Tuesday. About
twenty ladies were present. Delic-
ious refreshments were served. Ar-
rangements were completed for the
annual bazaar which will be held
at the church Dec. 7th.

Don't shiver when Knoles
will clothe you so well and
cheap.

PHILADELPHIA

Ben Shortridge left Monday for
Murrayville where he has been em-
ployed to work on the new elevator
being erected at that place.

Misses Mae Kendall and Grace
Bailey of Ashland spent a few days
of the past week with Mrs. Geo.
Kendall.

Miss Ethel Shortridge of Ashland
spent Sunday with her uncle Frank
Bailey and family.

Mr. and Mrs. R. A. Hodge have
spent the past week visiting rela-
tives in Fairfield.

Matt Swartwood went to Chicago
the first of the week with a car load
of stock shipped by Joe Edwards.

Mrs. Otis Mapes was a Jackson-
ville visitor last Tuesday and Wed-
nesday.

Mrs. Otis Mapes and Mrs. Cleve
Stout visited Wednesday with Mrs.
Guy McLaughlin near Walnut Grove.

Rev. W. W. Vose of Eureka start-
ed a short series of revival meetings
last Monday evening.

Wm. Rust and sons of Nebraska
arrived Wednesday to visit with
Wm. Gilbert and family a few days.

Miss Grace Shafer is visiting rela-
tives in Tallula the past week.
Geo. Kendall and B. O. Springer
spent last Saturday down on the
Sangamon bottom duck hunting.
Each came home with the limited
number of ducks.

W. T. Melvin attended the Demo-
cratic rally held in Ashland Mon-
day evening.

CAPTURED AFTER FIVE YEARS.
Auburn, Cal., Nov. 17.—Captured
in Salt Lake City after a search of
five years, Edward J. Liley confessed
last night, according to the police,
that he murdered Thomas R. Raf-
fletts his mining partner in the Bear
River canyon in April, 1911. He
asserted he killed Raffletts in a
quarrel, the police say.

CAN RELEASE HIGH
SCHOOL TUITION FUND

County Superintendents May Release
Funds in Their Possession as Pro-
vided by Old Law.

Bloomington, Ill., Nov. 17.—
County superintendents in Illinois
can now release the high school tu-
ition funds in their possession under
the provisions as provided by the old
school law, according to Samuel P.
Irwin, supreme court reporter, who
today put into the mails, copies of the
recent decision of the Illinois su-
preme court making the high school
tuition act of 1915 null. This opin-
ion was delivered by Justice Cart-
wright in the case of board of edu-
cation appellant vs. Otis P. Hayworth
superintendent of the Vermillion
county schools in which the school
board attacked the 1915 law as being
in violation of the constitutional pro-
visions. The time for a petition for
rehearing on this case has elapsed
and Reporter Irwin is mailing a copy
of the decision to each county su-
perintendent so that they may make
provisions of distribution of the funds
under the old law.

It was found that the act is void
because it gives the county superin-
tendent an arbitrary discretion to
limit the tuition charge to \$40 per
annum and the board of education
must consent to the admission of the
student at the rate the superintend-
ent fixes, giving him a power not
vested by the constitution.

WOMEN FAILURES AS

CLERKS AND JUDGES

Chicago, Ill., Nov. 17.—Women are
failures as clerks and judges of elec-
tion, according to a statement here
by Frank D. Ayers, assistant corpora-
tion counsel, who is aiding in su-
pervising the canvass of the recent
election. The county, he said, will
be obliged to spend several hundred
dollars to untangle mixups caused
by women officials.

BIG BOWLING TOURNEY

OPENS IN ST. LOUIS

St. Louis, Nov. 17.—With many
of the best bowlers in the country
entered, the annual tournament of
the Midwest Bowling association op-
ens in St. Louis tonight and will con-
tinue for two weeks. The tourna-
ment is the second largest in the
United States and the first big meet-
ing of its kind held every season. This
year the entry list has eclipsed all
past records of the association. Al-
most every city of any size in the
middle west will have its representa-
tives on the alleys. Some cities
have special nights, and practically
all have made both individual and
team entries. Among the cities well
represented will be Chicago, Kansas
City, Milwaukee, Minneapolis, St.
Paul, Peoria, Des Moines, Omaha, St.
Joseph, Sioux City, Louisville, Cin-
cinnati, Indianapolis, Oklahoma City,
Lincoln, Memphis, Burlington, Du-
buque, and Parsons, Kans. The an-
nual business meeting of the asso-
ciation is scheduled for next Sun-
day. Kansas City and Peoria will
make strong bids for the 1917 tourna-
ment.

STATE COLLEGE CELEBRATION

State College, Pa., Nov. 17.—Penn-
sylvania Day at State College, which
corresponds to Founder's Day at the
privately endowed institutions, was
celebrated today on an unusually elab-
orate scale. Leading features of
the day's program were an address by
Governor Brumbaugh, a review of
the student regiment of 1,500 uni-
formed men, a football game between
Lafayette College and Penn State,
and exhibitions by the schools of
mining, engineering and agriculture.

U. S. POPULATION FIGURES

Washington, Nov. 17.—The popu-
lation of continental United States
has passed the hundred and three
million mark. Officials of the Treas-
ury Department in their monthly
money circulation statement esti-
mate that on November 1 the popu-
lation of the country was 103,092,-
000.

THE PEOPLES' WEALTH.

Washington, Nov. 17.—Money in
circulation in the United States on
November 1 amounted to \$4,241,-
162,189, Treasury officials report.
The per capita circulation was \$41.18
on that date.

GIVEN UP FOR LOST.

Toledo, O., Nov. 17.—Missing since
11 o'clock Tuesday morning, two men
in Commodore Charles B. Greening's
speedboat, The Baby Rambler, Clint
Wyne, 34, and Schuyler Bartholomew,
17, have been given up for lost.
The men started in the teeth of a
gale to drive the craft from Monroe,
20 miles away, to Toledo, for dry
dock and have not been heard from
since.

SALARIES ADVANCED.

Pittsburgh, Pa., Nov. 17.—Salaries
of between 3,000 and 4,000 of-
fice men and other salaried employes
of the Westinghouse Electric and
Manufacturing company were ad-
vanced about 12 per cent here to-
day through the extension of the
bonus system from the shops where
it has been in force for a long time.
The system is made effective from
November 1.

FEW IDLE MEN IN CHICAGO.

Chicago, Nov. 17.—The city's pile
of uncut wood is hourly growing
higher. For the first time since the
municipal lodging house was put in
shape for occupancy, the building
was empty yesterday at the first
touch of winter weather.
Itinerants have failed to show up
this year, it was said, due to prosper-
ous times throughout the country.
Owners of cheap lodging houses are
complaining that while ordinarily at
this season they have to turn men
away, at present, despite the cold
snap, less than half of their beds are
being occupied.

he writes: "I have endeavored in
the Ghostly little book to raise the
Ghost of an idea which shall not put
my readers out of humor with them-
selves, with each other, with the sea-
son, or with me. May it haunt their
house pleasantly and no one wish to
lay it."

Lagerlof—Legend of the Sacred
Image. "It is you who are wise; we
are fools! Who among us does not
know that God is all powerful? And
yet not one of us dares rely wholly
on His support. Thank God for the
gift of Faith. It is the greatest of
all His blessings."

POLISH NOVELIST DEAD

Was Best Known in this Country as
Author of "Quo Vadis."

New York, Nov. 17.—Henry Sien-
kiewicz, the Polish novelist, best
known in this country as the author
of "Quo Vadis," is dead at Vevey,
Switzerland, according to a cable
despatch received here today by the
Polish Victims Relief Committee.
Sienkiewicz had devoted much of
his time recently to Polish relief
work.

Born of Lithuanian family at
Okreya, Podlasia, about 74 years ago
Sienkiewicz removed to Poland be-
cause of the Russian war and was ed-
ucated at the University of Warsaw.
His later travels brought him to the
United States and took him into Cen-
tral America.

"The Knights of the Cross," and
"Children of the Soil," are two of
his more widely read books.

EFFORT BEING MADE TO BREAK MARKET—RUMOR

Traders Suspicion False Reports are
Being Spread to Bring About a
Break—Corn Weakens With the
Wheat.

Chicago, Nov. 17.—Foreign gossip
as to wheat was so unqualifiedly
bearish today that leading traders
here openly expressed suspicion of an
organized effort to spread false re-
ports intended to break the market.
Nevertheless bearish sentiment was
greatly increased and prices closed
heavy, 2c to 3c net lower, with De-
cember at \$1.82 1/2 to \$1.82 and May
at \$1.88 1/2 to \$1.88 1/2 to 1.88 1/2.

Corn lost 1 1/2 to 1 1/2c and oats 3/4
c to 1c. In provisions, the out-
come ranged from 35c decline to a
rise of 2 1/2c.

Weakness in Argentine quotation
on wheat gave a noticeable advan-
tage to the bears, altho explanations
were forthcoming that the decline
in Rosario was ascribed to the pros-
pect of an embargo being proclaimed
by the government, here recalled
also from word that dealers in Scot-
land had cancelled a good sized flour
purchase which had been made at
Wichita, Kansas.

Corn weakened with wheat. Ad-
verse crop reports from Argentina
formed only a transient offset to en-
larged domestic country offerings
and to the slowness of shipping de-
mand. Reports that 1,000,000
bushels of oats had been taken by
Europe within the last twenty four
hours failed to sustain the oats
market. The contrary influence
was the heaviness of other cereals.

Profit-taking by holders more than
wiped out most of a series of early
gains in provisions. The temporary
upturns were based on higher values
of hogs.

DUNN'S WEEKLY REVIEW.
NEW YORK, Nov. 17.—Dunn's Re-
view tomorrow will say:
"The phenomena of demand out-
stripping supply at the highest prices
of modern times continues apparent
in many lines. Competitive bidding
and increasing costs of production
steadily accentuate the strength of
the leading commodities, and still
further advances are foreshadowed
by the eagerness of buyers to obtain
urgently needed materials and pro-
ducts. As was to be expected a cer-
tain hesitancy has developed in some
quarters as a result of the extreme
levels current, yet it becomes more
evident that reluctance to sell is a
greater influence in limiting new busi-
ness than the rapidly rising prices.
The rush to get forward orders on
the books of producers is practically
general and in some instances pur-
chasing extends well into 1918 but
the works nearly everywhere are so
closely sold up and ahead that each
week the number of rejected con-
tracts increases. Some manufac-
turers have virtually withdrawn from
the markets, either thru inability to
engage themselves further or because
of the prospect that quotations will
go still higher and buyers who pre-
viously held off now experience much
difficulty in covering their require-
ments."

"Weekly bank clearings \$6,236,-
969.152, against \$4,499,499,130 last
year."

Mr. and Mrs. Eugene Coultas of
Chapin were among the arrivals in
the city yesterday.

Bad Pains?

Do you suffer from pains, dragging sensations, irregularities, backache, headache? Are you weak, nervous, easily tired, dizzy, blue, and out of sorts generally? If so, take Cardui, the woman's tonic. It will tone up your nervous system, and help to make you well and strong.

TAKE Card-u-i The Woman's Tonic

Mrs. Blanche Ashcraft, of Guyville, Ohio, says: "For nine years, I was a constant sufferer from womanly trouble. Had severe pains in my head and sides, and was very nervous. At times, could scarcely walk across the floor. After taking ten bottles of Cardui, am now enjoying good health. Cardui has been a blessing to me." Try Cardui for your troubles. EBS

Don't Forget!

Your storage battery may freeze if not carefully charged. You use it lots more if you run your car in winter than in summer. You use your lights more hours, your engine gets cold and is hard to start, but yet you don't think much of the battery. You let it churn and churn, until finally it is about churned out. Look out now for freezing. If you don't run your car, let us call and get the battery and store it for you, then you know it will be alright next spring. Our rates are reasonable and our attention, expert.

Best have the car looked over this winter and put in good order for next spring. We have the best skilled mechanics in the country. Always at your service.
